4 de octubre de 2018, de 08:00 a 17:00 h

5 de octubre de 2018, de 07:30 a 15:30 h

Escuela de Medicina Tec ABC, Av. Prol. Vasco de Quiroga esq. Av Carlos Graef,
Santa Fe, Ciudad de México

Justification

This seminar will help neurologists and non-neurologist to update themselves in various topics of general neurology, with emphasis in epilepsy, headache, dementia and paraneoplastic syndromes.

Its main goals are:

- To discuss and exchange experiences and concepts with the faculty invited in order to meet the experts
- To strengthen and promote bonding between affiliated physicians and residents, as well as foster coexistence among residents.
- To get the attendees to know the Open Medical Institute and our organization Alianza Médica para la Salud, as well as to expand the medical network in these organizations.
