

II Maternal & Infantil Health Seminar

Monday, October 28th & Tuesday, October 29th, 2019

Centro Cultural San Pablo, Oaxaca

For: General Practitioners, Family Physicians, Gynecologists and Obstetricians, Neonatologists, Pediatricians and Nurses.

Justification

Train doctors and health personnel in Oaxaca, presenting advances in the Maternal and Infant Health Sector, in order to provide solid bases and valuable information on the latest trends and protocols; taking into account the social and cultural aspects of the State to improve the quality of health services of vulnerable groups.
